

## What's New at the Alternative Fuels Data Center JULY 2002

Listed below are new publications and other information made available in July through the U.S. Department of Energy's Alternative Fuels Data Center (AFDC), managed by the National Renewable Energy Laboratory. For more information, with questions, or to subscribe to this monthly update, contact Wendy Dafoe at [wendy\\_dafoe@nrel.gov](mailto:wendy_dafoe@nrel.gov), or call 303-275-4470.

This update is posted on the Web at [www.ccities.doe.gov/toolbox/coord\\_news.shtml](http://www.ccities.doe.gov/toolbox/coord_news.shtml)

**Alternative Fuel News, Volume 6, No. 1.** The latest edition of the official Clean Cities quarterly magazine includes a cover story on AFV resale auctions; plus articles on FutureTruck 2002, AFVs and urban community groups, electric trolleys in New Haven, and CNG entrepreneur Clayton King. It's available in hard copy and on the Web at [http://afdcweb.nrel.gov/documents/altfuelnews/6\\_1contents.html](http://afdcweb.nrel.gov/documents/altfuelnews/6_1contents.html).

**New York City Transit Diesel Hybrid-Electric Buses: Final Results.** Summarizes DOE's data collection and analysis project of 10 NYCT buses. Compares operating costs, fuel efficiency, emissions, overall performance of the hybrid buses with 14 diesel buses. Hard copies are available, or it's on the Web at [www.afdc.doe.gov/pdfs/nyct\\_diesel\\_hybrid\\_final.pdf](http://www.afdc.doe.gov/pdfs/nyct_diesel_hybrid_final.pdf).

It's worth repeating that the **State and Fuel Provider Program** has published two success stories about alternative fuel vehicle acquisitions.

- **TxDOT Goes Beyond Compliance by Purchasing 100% AFVs**
- **New York State Overcomes Barriers to Comply with Aggressive State Legislation**

Both are available in hard copy or on the Web at [www.ott.doe.gov/epact/resources.shtml#success](http://www.ott.doe.gov/epact/resources.shtml#success).

The latest **Alternative Fuel Price Report** is at [http://www.afdc.doe.gov/pdfs/afpr\\_8\\_8.pdf](http://www.afdc.doe.gov/pdfs/afpr_8_8.pdf). This quarterly report tracks retail alternative fuel and gasoline and diesel prices.

A new Web page on E-diesel is at [http://www.afdc.doe.gov/altfuel/ediesel\\_general.html](http://www.afdc.doe.gov/altfuel/ediesel_general.html).

**FreedomCAR: The Partnership to Develop America's Hydrogen Economy of the Future** is a one-page overview of that program. On the Web at [www.carttech.doe.gov/pdfs/o/202.pdf](http://www.carttech.doe.gov/pdfs/o/202.pdf).

Also on the Web, **Advanced Technologies Fuel FreedomCAR Development Efforts** provides a little more detail about FreedomCAR. On the Web at [www.carttech.doe.gov/pdfs/o/200.pdf](http://www.carttech.doe.gov/pdfs/o/200.pdf).

A summary of **Growth and Supply-Chain Dynamics of the Global Automotive Fuel Cell Market** is on the Web at [www.automotivecompass.com/fuelcell.html](http://www.automotivecompass.com/fuelcell.html). Hard copies are only available for a fee. Published by AutomotiveCompass, an automotive advisory service in West Chester, PA.
